

The event went very well with 178 entries and 22 club members in attendance. A highlight was seeing 11 month old Hazel with dad, Rob Fell.

The Layton family with two young boys, Joshua and Matt, also enjoyed a great day out.

Rex Niven spent considerable time on careful course setting and Steve Bird and Tim Hatley made the final checks.

Geoff Hudson introduced the computer hardware and software to back up the timing and got rid of the spaghetti of wires we usually get tangled up in with the innovative "emus_wifi" connection. This is sure to set the trend in putting up results at future state series events.

Thank you to everyone who contributed. We couldn't do it without your support. Joyce Rowlands is home recovering well after a tough day out.
