**MTBO** Our club is running the Victorian MTBO Champs on Sunday, July 18<sup>th</sup>. We'll be starting at the Red, White and Blue Mine on our Muckleford Diggings map, near Maldon. Phil Giddings has put a lot of work into remapping and course setting. Course 4 is suitable for newcomers. Entry details are on OVIC website. Entries close this Thursday.

We'd appreciate your assistance on the day. Even if you aren't going for a ride, the area is worth exploring on foot. Any help setting up on Saturday arvo' would be greatly appreciated. Helen Schofield has already indicated she can assist on Saturday. We need at least 8 people to operate registration, start and finish effectively. Club members already entered are Jim Taylor, Kevin Maloney and Helen Edmonds but they will be riding as well as helping out. Rob and Phil are camping out on Saturday night.

**Please get in touch with Rob by phone or email if you can be of assistance.**

Fire Works

By the Dam

The Rego Team

Koala Club

**BUSH'O** The Badge event at Choke'em Gully was a great success with 184 participants and lots of support from club members. There were 28 club members on hand to ensure the event ran smoothly. Thank you to everyone for your great support. Thanks to Ron and Cheryl for setting up the courses which received many favourable comments. Several members enjoyed dinner at the Railway Hotel in Castlemaine. Thank you to Lauris for organising a spot worth returning to again. The campsite at Railway Dam was peaceful once the trains stopped passing by. Daniel kept the camp fire burning well into the night and roared it back into life first thing next morning. The weather was perfect the whole weekend and all the club tents were returned safe and dry. Unfortunately, Don and Fiona returned home to find their home had been burgled.

**ROGAINING** Ron Wescott and Rob Edmonds were back at Fryerstown the following weekend to take part in a 6 Hour Rogaine; finishing 7<sup>th</sup> out of 86 teams.

**STREET'O** The Wednesday Iceberg Night Series is in progress with the next event at Hawthorn this Wednesday. The assembly area is in the car park behind the Hawthorn Town Hall. There are another 5 events in this series which ends on August 11<sup>th</sup>. The start is at 7 pm sharp, and you need to arrive earlier to prepare and register. The Wednesday Spring Night Series then kicks off once the Iceberg Series finishes. If you are keen to join this dedicated crew, I'm sure you'll have a great time.

**Next Club Meeting** Tuesday, 6th July at 8pm  
At Laurie and Rex Niven's place, 15 Rockliffe St Eltham  
Melways: 22 A8  
RSVP 94313803

**All members welcome to attend. Bring a supper plate.**
