

Nilumbik Emus Orienteering Club - Membership

Nilumbik Emus is affiliated with the Orienteering Victoria (OV).

We welcome individuals and families and embrace keen competitors and people who simply enjoy the challenge of improving their fitness and navigational skills in a friendly company.

We organise **Foot** and **Mountain Bike** orienteering events in attractive forest settings.

There is also a strong focus on **Park & Street** orienteering. Many members are active **Rogainers**.

We get together at events and keep in touch through a regular club newsletter and social gatherings.
